December E-Newsletter

Stay informed with the latest news, events, product information & more!

RadonAway will be closed December 24-25th for the holidays.

Best Sellers As Determined By You, Our Valued Customers.

Thank you for making our RP145 Radon Fan a customer favorite again this year. We're excited about the new fans coming soon in early 2019 and hope they also join the ranks of best sellers.

Do YOU Use VAPORMAT™? Here are 6 Reasons You Should.

- Highly Adaptable Matting that can replace perforated pipe and/or gravel
- Rolling out a lightweight geo material to create a pathway for air is *much* easier on

Keep communicating! Let us know what your favorites were this year by posting to our Facebook page or writing a product review after purchase. We greatly value your insight.

"We all need people who will give us feedback. That's how we improve." - Bill Gates

JANUARY IS RADON ACTION MONTH

**Get the word out.
If not you, then who?**

Are you ready for NRAM?

For the month of January, include call-outs for National Radon Action Month (NRAM) on your customer and prospect communications. Provide facts and statistic as well as contacts and resources for professional radon testing and mitigation needs - YOU!

Remember to use hashtags with **#Radon** on social media tied to photos, posts, and videos relative to radon.
