

GARAGE FANS

REDUCES FUMES AND GASES
FROM INDOOR AIR

Prevent harmful pollutants from entering the home.

Spruce manufactures 6 inline fans, both plastic and metal, that are ideal for garage ventilation. Their energy-efficient continuous operation will reduce harmful fumes and pollutants, and prevent them from entering the home by drawing them into a vent pipe and exhausting into the outside air.

Features

- Rated for commercial or residential installations
- Available with variable speed control
- Rated for continuous operation
- Five-year warranty
- Virtually silent
- HVI certified fan performance

Spruce RB110

Made in USA with U.S.
and imported parts.

ETL Listed

All Spruce™ inline
fans are covered by
our 5-year, hassle-free
warranty.

RB110

RL/RB/RV SERIES

TECHNICAL SPECIFICATIONS

Even when a home is well sealed, harmful fumes and gases, including carbon monoxide from a car's exhaust, can seep into the home through the attached garage. A continuous ventilation system installed to exhaust the gases and fumes will help to prevent them from entering the home.

MADE IN USA Made in USA with U.S. and imported parts.

All Spruce™ inline fans are covered by our 5-year, hassle-free warranty.

| MODEL | P/N | DUCT | WATTS | TYPICAL CFM VS. STATIC PRESSURE | | | | | | |
